> THE INAUGURAL MARK HUTCHINS GALLERY ARTIST'S DINNER

For our friends who appreciate exceptional art, excellent cuisine and the finest wines the inaugural Mark Hutchins Gallery Artist's dinner will be night to savour.

The dinner in three courses will be presented by Crazy Horse the Steak House in their recently refurbished private dining room. Crazy Horse has become an institution in New Zealand, winning multiple industry awards since it first opened in 2006. With its recent renovation the focus has shifted firmly to celebrating the best meats and local fresh produce what our country has to offer.

When guests arrive at 6.30 pm they will be greeted with a celebratory glass of bubbles and ushered through to the private dining room to mingle and enjoy the paintings on display and meet the artist before being seated for dinner at 7pm.

Senior chef de cuisine at Crazy Horse has designed a unique menu for this special occasion inspired by the lyricism and animated tactility of Lorraine Rastorfer's works which promises some sensational surprises.

The intimate size of the restaurant dining room will restrict the number of guests to 20 so please call or email the gallery as soon as possible to reserve your place.

Cost: \$80 person.
